

Organization Description

The mission of the [Minnesota Milk Bank for Babies](https://www.mnmilkbank.org/) is to improve infant health outcomes by ensuring that medically vulnerable babies—in Minnesota and the Upper Midwest—have access to safely pasteurized life-giving human donor milk when mother’s milk is unavailable or in low supply. The Milk Bank is accredited by the Human Milk Banking Association of North America and licensed by the State of Minnesota as a food manufacturer.

Position Description

The Minnesota Milk Bank for Babies seeks applicants to serve on a growing governance Board of Directors. This is a volunteer position for a 3-year term. The Board meets virtually every other month for one hour and members may attend by phone or by Zoom. Occasional in-person meetings will be offered for strategic planning or a retreat.

Desired skills:

- Passion for the mission!
- Experience in such fields as:
 - Development and fundraising
 - Financial management
 - Legal expertise
 - Commercial real estate
 - Marketing & communications
 - Nonprofit programs
 - Clinical skills related to breastfeeding or perinatal health

We value statewide participation, diversity, and a broad range of skills and experiences.
